Join us for SACReD Curriculum training.

This is for anyone wanting to learn more about weaving together faith and support for abortion access and reproductive justice.

We encourage you to join us to achieve a fuller understanding of a theology framework of reproductive justice. Come to learn and experience even if you do not want to be a curriculum leader.

Facilitated by:  
Dr. Rev. Rebecca Todd Peters  
Rev. Angela Tyler-Williams  
Rev. Kenyette Chinwe
