This comprehensive training educates participants in You Can Vote's work and key messages, how to join us out in the field and what to expect, and a thorough understanding of how to properly fill out a voter registration form. YCV requires volunteers to attend a training each year as voting rules change and this training ensures all volunteers are up to date with registration facts and rules! ***This training is for those looking to learn more about You Can Vote, updated voting rules, best practices in voter registration, and those interested in volunteering with YCV!***
